# DEPARTMENT OF MANAGEMENT STUDIES

## -A Brief Profile

Rajeev Institute of Technology is offering two years /management education course leading to award of MBA. The Department of Management studies was started in the year 2009, catering to the needs of management students from different cities and states. The Department of Management Studies has catered to the needs of the industry by training students with managerial skills imbibed with ethical and moral education. In the process of imparting quality management education Department of Management Studies adopts best practices relating to disciplinary norms, internal assessment evaluation system, and programs relating to enhancement of theoretical and practical quotient and chronological maturity, societal awareness through voluntary CSR programs. The Department offers MBA program with specialization in the areas of finance, marketing and human resources with dual specialization as well. Along with teaching, the department is empowering students with unique activities like field work, mini projects, real time assignments, industrial visits, guest lecturing from industry and academic experts to gain hands on experience towards practical applicability of management concepts in the corporate sector.

# Departmental Activities

## *7th sense training*

The 36 hours of training session was conducted for first semester MBA students. In this training session students were introduced to the core concepts of Interpersonal skills, coding, planning & execution, team building, goal setting, decision making, communication skills and Email writing. During the sessions trainers were discussed about ways to improve students interpersonal and people management skills. By attending this training students learnt

- How to handle a coworker who is too competitive.
- How to handle someone who wants to get "too personal".
- What to do when people make promises you suspect they won't keep.
- Dealing with touchy people who take things personally etc.

## *Webinar on*

## *Money management and financial market*

On 29th of November 2021, at 11:30 am we have organized webinar from Rajeev Institute Of Technology on Money Management and Financial Markets by a resource person Ms.Jacueline Vales (Proficient Minds) via zoom.

The purpose of this webinar was to provide knowledge to the MBA students with respect to the Money Management and Financial Markets and make them to understand better.

## *Workshop on*

## *H R Analytics-Practical application*

Dept. of management Studies, RIT, organized workshop on 10 days HR analytics-practical applications.

This workshop highly benefited to students & faculty members. This workshop provided hands on training applications that can be applied both on the job & in academics. This workshop was delivered by prof. Brijesh singh.

## *Paid Internships Students Testimonials from Batch 2022-2024*

*PARIKSHITH H K*

2nd Semester MBA, RIT

I started my first ever work experience by doing an internship with TATA MOTORS. I had a series of training sessions where i was thought about the company, the technical aspects and as well as sessions on interpersonal skills. It was amazing feeling to work with diverse backgrounds.

I thoroughly enjoyed my time working for TATA MOTORS filled with a lot of learning and fun and most of all forming many networks

*KUMARSWAMY*

2nd Semester MBA, RIT

This was my first ever work experience and it was wonderful. I really liked the work culture, especially the way employees treat each other with such respect, acceptance and zero judgments. There was no extreme hierarchy and everyone was highly approachable. I was provided with enough exposure and opportunities to understand the firm's business as well as functions by conducting various training sessions.

TATA MOTORS provided me a platform to learn, develop and grow my professional as well as personal skills

### *IMPACT OF PANDEMIC COVID-19 ON EDUCATION IN INDIA*

According to the UNESCO report, it had affected more than 90% of total world's student population during mid April 2020 which is now reduced to nearly 67% during June 2020. Outbreak of COVID-19 has impacted more than 120 crores of students and youths across the planet. In India, more than 32crores of students have been affected by the various restrictions and the nationwide lockdown for COVID-19. As per the UNESCO report, about 14crores of primary and 13crores of secondary students are affected which are two mostly affected levels in India. The education sectors including schools, colleges and universities became closed. Classes suspended and all examinations of schools, colleges and universities including entrance tests were postponed indefinitely.
